

BY THE
LORDS JUSTICES
General and General Governors
OF
IRELAND,
A
PROCLAMATION.

Winchester, Gallway.

WHEREAS the Regiments Comanded by the late Brigadier William Wolsley, Henry Earl of Drogheda, Colonel Abraham Creichtoun, Colonel John Michelburne, Colonel Thomas St. John's, Arthur Earl of Donegall, Sir George St. George, William Lord Viscount Mountjoy, William Lord Viscount Charlemont, and Colonel George Villiers, were by his Majesty's Orders lately Disbanded, and upon stating the Accounts of each Regiment, We did Order and Direct, that one Fourth part of the Arrears due unto each Commanding Officer in the respective Regiments should be paid, which has been accordingly complied with, and Debentures given to the said Officers for the remaining three Fourth parts; which remainder is to be paid out of the respective Funds Granted by Act of Parliament for that purpose, as the same shall be Collected and Brought into his Majesty's Treasury. We being willing to hasten the Payment thereof as much as in Us lyes, have taken into Our Consideration, the present State of his Majesty's Revenue, and do hereby think fit, and make known by this Our Proclamation, That We have directed the Receivers and Pay Masters General, to Issue and Pay unto the several Commanding Officers of the afore-mentioned Regiments, one Fourth part more of their Arrears, being one Third part of the present Debentures already Issued, the same to be paid unto the Agents of the said Regiments, to Whom the former Quarter part was paid, who are

12 July 1698

are Impow'ed to Receive the same, and Pay it to the respective Officers, or their Assigns. And whereas We have already Order'd the Payment of Subsistence or half Pay to all the Officers of the aforesaid Regiments, from the day they were Disbanded to the last day of March, and are now Issuing Orders for the Payment of the Month of April, with intent to continue Paying the same Monthly; and having considered the great difficulty that does and may arise in Paying the same out of the Treasury, to the particular Assignes of each Officer, We think it necessary, that all such Subsistence be Paid to some single Person, or Agent, who shall Receive the Subsistence from the Treasury, and Pay the same to the respective Officers; And accordingly give notice by this Our Proclamation, that We do Appoint Charles Bouchier Esquire, to be the sole Agent for Receiving the said Monthly Subsistence from the Treasury, who is required to Pay the same to the respective Officers accordingly; For whose Pains, Care and Trouble therein, We think it reasonable, that he Deduct Two pence out of every pound he shall Receive or Pay, and no more; So as all Persons concerned may from time to time apply to the said Charles Bouchier therein, while he shall continue Receiver of the said Subsistence. And to the end Our Pleasure herein may be the more publicly made known, We Require the Sheriffs of the several Counties, Cities, and Towns in this Kingdom upon Receipt of Printed Copies hereof, to Publish and Affix the same within their respective Counties and Liberties as in like Cases is usual, that all Persons concerned may have due Notice, and conform themselves accordingly.

Given at His Majesty's Castle of *Dublin*, the 12th day of *July*, 1698.

By Their Excellencies Command.

H. May.

God Save the King.
